

Joakim Melén

Studying software development

SOME OF MY EXPERIENCES (ASK FOR MORE DETAILS)

Business Developer, Sales and Tech Lead

Cell Solar Nordic AB

Feb 2017 - Mar 2019 - Sweden

Directly collaborated with CEO and board of directors from the startup. Built this company from nothing to one of Swedens leading Solar Energy companies.

Startup Advisor

Pinevision Design Studios

Aug 2014 - Aug 2015 - Gävle

Their owner and CEO developed a CMS-tool that we built a company around. I helped them get started in the first year with building and structuring all the departments while getting sales going.

Operator / Consultant

Ericsson

Apr 2011 - Apr 2014 - Falun

Developed products and streamlined processes.

Producer and Actor

Emperors' Day & Genom Historien AB

Jun 2008 - Apr 2011 - Europe

Worked with artists and teams to produce shows and music albums. Did most work with an artist named Stefan Andersson.

EDUCATION

Frontend / App Developer

Changemaker Educations

2021 - Ongoing (2023), Stockholm

Foundation year in natural sciences

NTI & Jensen

2014 - 2016, Stockholm

jcrooge@gmail.com
